

## Insurance Inquiry Form:

Hi thank you for your inquiry in our naturopathic services. If you have naturopathic benefits, that's great, you might as well make the most of them!

We encourage that look into the type of coverage you have so you know exactly what to expect with regards to reimbursements on your insurance submissions.

Please note that we do not offer direct billing but will certainly provide you with invoices to submit to your insurance company.

Here are the sorts of questions you should ask:

A) **What is my total yearly coverage for naturopathic benefits:** \_\_\_\_\_

B) **Do I have a max per visit, and if so how much:** Yes / No

i. initial visit allowance: \_\_\_\_\_

ii. Follow up allowance: \_\_\_\_\_

C) **Do I have coverage for tests recommended by a naturopathic doctor:** Yes / No

**Is there a maximum allocated for tests:** \_\_\_\_\_

For example some tests that we offer include:

i. Hormone testing ranging from \$690+

ii. Blood testing ranging from \$30-\$150+

iv. Food sensitivity testing \$295

D) **What percentage coverage do I have?** \_\_\_\_\_ %

E) **Do I have a health expenditure account and if so, how much?** \_\_\_\_\_

**Can I use it towards testing/additional naturopathic services?** \_\_\_\_\_

F) **What is my yearly calendar coverage maturity date/ when do by benefits renew for the year?** \_\_\_\_\_

Feel free to reach out to us to review your coverage and how it may work with our services. If your insurance company requires additional information, don't hesitate to ask us!
